

Getting an Iceberg

(for 2 Sopranos, Tenor, Baritone and SA Choir)

Piano/Vocal Score

With momentum (MM=120)

Daniel Laubacher (AKM)

The score is divided into four systems. The first system shows the piano introduction with a treble and bass clef, a key signature of three flats, and a complex meter of 3/8, 2/4, 3/8, and 2/4. It includes a forte (*f*) dynamic marking. The second system begins the tenor vocal line at measure 4, with lyrics: "At the souk we heard a - bout ice - bergs,". The piano accompaniment continues with a mezzo-forte (*mf*) dynamic. The third system continues the tenor vocal line with lyrics: "float - ing moun - tains made of snow. Let us go and". The piano accompaniment features a melodic line in the right hand and a rhythmic bass line. The fourth system concludes the tenor vocal line with lyrics: "get us an ice - berg, sail a - far and bring it home!". The piano accompaniment provides harmonic support throughout.
