

Children of a Mind

By Daniel Laubacher

Refrain

We belong to the Children of a Mind To meet the greatest challenge of our time
In a world where people struggle to be free, We'll work for peace and unity.

Verse 1

We have come from far and near, And have something to share with you:
Though we speak in many tongues, We still can sing together.

Verse 2

We know the world is getting smaller every day,
That is why we have to lend a hand in every way.

Refrain

We belong to the Children of a Mind,
To meet the greatest challenge of our time
In a world where people struggle to be free,
We'll work for peace and unity.
